

# **THE WOODEN STONE LLC**

Commercial Countertop Fabricator &  
Contractor

Serving Michigan, Ohio, and Indiana

# About Us

---

The Wooden Stone LLC is a top-rated commercial countertop fabricator and contractor specializing in custom stone fabrication, commercial countertop installation, casework, interior doors, sink fixtures, and bath accessories for commercial and multi-family projects.

## Our Mission

At The Wooden Stone, our mission is to support general contractors by delivering reliable, high-quality countertop and cabinetry solutions with industry-leading efficiency and professionalism. We specialize in commercial projects, streamlining the fabrication and installation process to help our partners stay on schedule and ahead of deadlines.

We are driven by a commitment to efficiency, teamwork, innovation, and safety—both on the jobsite and in our shop. Our goal is to build trust through consistent performance, while investing in the people who make it possible.

# Our Process

---

## 1. Estimating

Develop comprehensive project proposals utilizing detailed architectural plans and specifications to ensure precise alignment with project objectives and budgetary requirements.

## 2. Pre-Construction

Collaborate with project teams during pre-construction phases to optimize design, material selection, and installation sequencing.

## 3. On-Time Installations

Execute installations according to established project timelines, ensuring minimal disruption to ongoing construction activities.

## 4. Quality & Integrity

Maintain rigorous quality control standards throughout fabrication and installation processes, with comprehensive final inspections.

# Project Types

---

- **Multi-Family Properties** - Apartment complexes, condominiums, townhomes
- **Assisted Living Facilities** - Senior living communities and care facilities
- **Commercial Buildings** - Office buildings, retail spaces, restaurants
- **New Construction** - Ground-up commercial projects
- **Renovations** - Remodeling and renovation projects
